PRODUCTS & SERVICES 2007

The Megatouch Taking the game out

Merit's Megatouch Aurora marks a revolutionary advance for touch-screen entertainment. The elegant, rounded design invites players with a dynamic multi-color light show that extends the game beyond the screen.

ch Aurora™ side the box...

The Aurora's dazzling halo is part of the game experience, responding to the players' progress, rewarding high-scores, and drawing onlookers from all angles into the action. The sleek console further builds on the advances of the ION with a superior joystick design, optional card reader, easier maintenance access, improved player ergonomics, and comes with your choice of a 17" or 19" monitor.

New Aurora-Only Features

- Dazzling interactive light show viewable from all angles
- Choice of 17" or 19" screen • Improved joystick control
- Optional smart card and credit card support
- Slide-out tray for easy service and maintenance access

Plus the features of the ION

- Electronic Operator Key gives secure 1-touch access to all operator functions – no need to even open the unit
- Full motion video • Stunning 3-D graphics
- Instant zero-setup wireless linking
- 1-minute Quick-Click™ software updates
- Jukebox linking increases music revenues
- Player loyalty sweepstakes with Megatouch Nation™ – Merit gives away \$4,000 to one ION player every month
- Ruggedized 40GB hard drive, guaranteed for life of machine, if software updated at least every 2 years
- Separate locks for cash and service areas
- Theft-deterrent weight • Steel-encased cash box
- 11 Joystick games and more to come!

Aurora - powered by ION.

Simply brilliant.

**ION games include
all the features of the
Force 2007 software
plus these exciting
ION ONLY exclusives:**

ION 2007 includes 11
joystick games featuring:

**TUXEDO RUN, PACK RABBIT,
CHUG MONKEY, BREAKIN' BRICKS,
CHIP AWAY, LOOKOUT AND VINCI-BALL.**
More joystick games to come!

PACK RABBIT

Use the joystick to move Pack Rabbit around the garden and collect the carrots to bring home to Mrs. Rabbit. Watch out for those gophers! Features gardens that change with the seasons.

TUXEDO RUN

Maneuver the joystick to guide one penguin at a time across the river to get a fish. Whatever you do, don't fall in the water!

CHUG MONKEY

"Bash" the Monkey is ready to let loose at the local watering hole. As he chugs his drinks, use the buttons to keep him from falling off the stool. A hilarious bar favorite!

**PENTHOUSE®
VIDEO STRIP POKER**

Play a successful hand & view a sexy Penthouse® video clip in this erotic poker game! ION 2007 also offers 2 other Full Motion favorites: **VIDEO WHIZ** and **PENTHOUSE® VIDEO FOXY BOXXI.**

Megatouch ION
e.V.o. Wallette™

Megatouch
ION Fusion™

Platform

The ION is Merit's most advanced hardware and software platform available. It features all-new joystick games, attracting new players. Every ION ships with high-powered graphics hardware to deliver full motion video and real-time 3-D rendering. Gigabytes of games are only possible with the massive 40GB ruggedized hard drive included inside every unit. Instant wireless networking, for linked play and jukebox connections, round out the amazing features of the ION.

The Megatouch Nation offers players with a player key an exciting array of Merit offerings! Players are eligible to compete in the monthly **\$4,000 SWEEPSTAKES!** They can also **AUTOMATICALLY LOG IN** to their My Merit™ and TournaMAXX™ accounts by touching the key to the top right of the ION game as shown above.

Visit www.megatouchnation.com for contest rules and no purchase method of entry.

All ION games include built-in wireless networking for instant and automatic **MEGA-LINKING**. Just turn them on in the same location and instantly give players great new linked multi-player games like **TEXAS HOLD 'EM 3** and linked classics like **BATTLE COMMAND**. Add a wireless router, and the ION can browse the web or send e-mails, all without ever touching a cable.

*The Megatouch e.V.o. Walletoe ION is not a joystick game, but does possess all other ION software and cabinet features.

The Merit Boardwalk™

Take your gamers to the boardwalk with Merit's first ever trackball game system!

- 27" monitor makes game play larger than life
- 700 bill stacker means larger capacity
- Dedicated unit - Competitive price

The MoD BoX™

The MoD BoX is a digital-downloading jukebox with Music on Demand that offers the most music at an affordable price. It comes standard with 150 albums and the option to add new songs on the day of release. Upgrade to the MoD BoX DeluXe and get the four most popular add-ons all in one package: LED light show, output transformer, amp accessory kit, and wired remote.

Lucrative Linking

Attract even more attention when you connect any AMI jukebox to a Megatouch ION! Linking the two entertainment systems gives game players music choices right at their fingertips without having to leave their seat. Increase your music revenue by more than 15%!*

*15.9% music revenue is the average music increase across all linked locations. Individual performance will vary.
